

Transitions of Care

To Get You or Your Loved One Home Safe and Sound

Whether you are being discharged from the hospital or a rehabilitation facility, EasyLiving can provide the help you need to get settled back at home. Our goal is to make your transition back home as **Easy** as possible.

We will:

- *Meet you at the hospital or rehabilitation facility and help bring your belongings and equipment to the car*
- *Provide transportation and assistance to home in a private car*
- *Help you get settled comfortably at home and unpack and put away your belongings*
- *Pick up prescriptions*
- *Go to the grocery store, put the groceries away*
- *Check the refrigerator for spoiled food*
- *Make the bed with clean linens , Do a load of laundry, fold and put things away*
- *Prepare a meal*

These tasks will take approximately 3 hours depending on the distance to their home and the grocery store. The cost for these services will be as little as \$65.

The Centers for Medicare and Medicaid Services (CMS) reports that 75% of re-admissions are preventable with a little non-medical home care help.

- *Services can be tailored to meet your needs, and additional services, such as help with a bath, provided for \$20/hour.*
- *We also provide ongoing services such as fall prevention, medication assistance, help with household tasks, driving to appointments, meal preparation and more for \$18/hour.*
